In the event of refusal or inability of the Assured or other consignee to accept delivery of goods insured hereunder, this insurance is extended to cover such shipments subject to original insured value and insuring conditions while awaiting shipment or reshipment and/or return or until otherwise disposed. The Assured agrees to report all such shipments as soon as practicable after they have knowledge of them and to pay premium if required, at rates to be agreed.

- 1) As per the transit clauses contained within the Policy, or
 - 2) On completion of unloading from the carrying vehicle or other conveyance in or at the final warehouse or place of storage at the destination named in the contract of insurance, or
 - 3) On completion of unloading from the carrying vehicle or other conveyance in or at any other warehouse or place of storage, whether prior to or at the destination named in the Policy, which the Assured or their employees elect to use either for storage other than in the ordinary course of transit or for allocation or distribution, or
 - 4) When the Assured or their employees elect to use any carrying vehicle or other conveyance or any container for storage other than in the ordinary course of transit, or

 - 6) In respect of air transits, on the expiry of 30 days after unloading the goods insured from the aircraft at the final place of discharge,
- whichever shall first occur.
- B. If this Policy or the Clauses referred to therein specifically provide cover for inland or other further transits following on from storage, or termination as provided for above, cover will re-attach, and continues during the ordinary course of that transit terminating again in accordance with A above.

- 2) Subject to (1) above, the Assured shall be entitled to recover for insured loss occurring during the period covered by this insurance, notwithstanding that the loss occurred before the contract of insurance was concluded, unless the Assured were aware of the loss and the Underwriters were not.

B. *Duty of Assured:*

It is the duty of the Assured and their employees and agents in respect of loss recoverable hereunder

- 1) to take such measures as may be reasonable for the purpose of averting or minimizing such loss, and

The Assured will allow these Underwriters to take copies (including in digital format) of all such documents and allow access to its computer software and hardware to the extent necessary.
- C. The Assured will allow Underwriters and its agents and attorneys to interview and/or take Statements Under Oath in connection with any claim or circumstance which may give rise to a claim under this Policy of any person who is, or was the Assured's Director, Officer, Employee, Manager or Agent in connection with any claim or circumstance which may give rise to a claim under this policy. As regards any person who is or was a former Director, Officer, Employee, Manager or Agent, the Assured will use its best efforts to secure their co-operation.

35. Constructive Total Loss

No claim for Constructive Total Loss shall be recoverable under this insurance unless the goods insured are reasonably abandoned either on account of its actual total loss appearing to be unavoidable or because the cost of recovering, reconditioning and forwarding the goods insured to the destination to which it is insured would exceed its value on arrival.

36. Partial Loss

In case of partial loss or damage insured against by this Policy, a separation of sound and damaged goods insured shall be made and the amount of loss determined by:

- A. An agreed percentage of depreciation, in which event the Assured shall receive such percentage of the insured value of the damaged goods insured, or, if there is no agreement;

39. Brands and Trademarks

In case of damage to goods bearing a brand or trademark, the sale of which in any way carries or implies a guarantee of the supplier or Assured, the salvage value of such damaged goods shall be determined after removal of all brands and trademarks. On containers from which the brand or trademark cannot be removed, contents shall be transferred to plain bulk containers. With respect to any merchandise, and/or containers from which it is impracticable to destroy all evidence of the Assured's connection therewith, Underwriters agree to consult with the Assured with respect to the disposition of said merchandise and/or containers.

40. Demurrage Charges

Should Underwriters instruct the Assured to hold a container, and the Assured is assessed a late penalty and/or demurrage charge for holding the container past the return date, Underwriters will pay the late penalties and/or demurrage charges. The amount Underwriters will pay shall be the charges assessed from the time Underwriters direct the Assured to hold the container until the time Underwriters inform the Assured that the container can be released.

41. Payment on Account

Underwriters agree that where claim papers submitted demonstrate that only the quantum of the claim is in question, they will make a "payment on account" equal to 75% of the lower of the amounts claimed and agreed by Underwriters.

42. Subrogation

It is a condition of this insurance that upon payment of any loss, Underwriters shall be subrogated to all rights of the Assured against third parties with respect to such loss. It is a further condition of this insurance that if the Assured or any Claimant impairs or diminishes the rights to which Underwriters would be subrogated upon payment, Underwriters may deduct from such payment a sum equal to the estimated recovery lost by reason of the Assured's or Claimant's action or inaction.

43. Other Insurance

If at the time of loss or damage there is available to the Assured or any other interested party, any other insurance which would apply in the absence of this Policy, the insurance provided for hereunder shall apply only as excess insurance over such other insurance.

44. Suit Time Limitation

No suit, action or proceeding against Underwriters for recovery of any claim shall be sustainable unless commenced within one year from the date of the happening of the accident out of which the claim arises, provided that if such limitation is invalid by the laws of the state within which the Policy is issued then such

suit, action or proceeding shall be barred unless commenced within the shortest limit of time permitted by the laws of such state.

45. Institute Service of Suit (USA) CL.355 November 1, 1992

It is agreed that in the event of the failure of the Underwriters severally subscribing this insurance (the Underwriters) to pay any amount claimed to be due hereunder, the Underwriters, at the request of the Assured, will submit to the jurisdiction of a court of competent jurisdiction within the United States of America.

Notwithstanding any provision elsewhere in this insurance relating to jurisdiction, it is agreed that the Underwriters have the right to commence an action in any court of competent jurisdiction in the United States of America, and nothing in this clause constitutes or should be understood to constitute a waiver of the Underwriters' rights to remove an action to a United States Federal District Court or to seek remand therefrom or to seek a transfer of any suit to any other court of competent jurisdiction as permitted by the laws of the United States of America or any state therein.

Subject to the Underwriters' rights set forth above:

- A. It is further agreed that the Assured may serve process upon any senior partner in the firm of: Mendes & Mount (Attorneys), 750 Seventh Avenue, New York, 10019-6829 (California Assureds shall serve process upon Foley & Lardner, LLP, 555 California Street, Suite 1700, San Francisco, CA 94104-1520; Kentucky Assureds shall serve process upon Lloyds Kentucky, Inc. 200 West Main Street, Frankfort, KY 40601), and that in any suit instituted against any one contract the Underwriters will abide by the final decision of the Court or of any Appellate Court in the event of an appeal.
- B. The above-named are authorized and directed to accept service of process on behalf of Underwriters in any such suit and/or upon the request of the Assured to give a written undertaking to the Assured that they will enter a general appearance upon the Underwriters' behalf in the event such a suit shall be instituted.
- C. The right of the Assured to bring suit as provided herein shall be limited to a suit brought in its own name and for its own account. For the purpose of suit as herein provided the word Assured includes any mortgagee under a ship mortgage which is specifically named as a loss payee in this insurance and any person succeeding to the rights of any such mortgagee.
- D. Further, pursuant to any statute of any state, territory or district of the United States of America which makes provision therefore, Underwriters hereby designate the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor or successors in office (the Officer), as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Assured or any beneficiary hereunder arising out of this contract of insurance, and hereby designate the above-named as the person to whom the Officer is authorized to mail such process or a true copy thereof.

SECTION 5: Certificates and Reporting

46. Full Value Reporting

If the total value at risk exceeds the limit of liability provided by this insurance, the Assured shall nevertheless, as soon as known, report the full amount at risk to Underwriters and shall pay full premium thereon, in consideration of which the principle of co-insurance is waived by Underwriters.

Acceptance of such reports and premium shall not alter or increase the limit of liability of Underwriters but Underwriters shall be liable for the amount of covered loss up to but not exceeding the applicable limit of liability.

47. Reports of Shipments

Unless otherwise agreed, it is a condition of this insurance that the Assured is to report to Roanoke Insurance Group Inc. for transmission to Underwriters, as soon as practicable after becoming known to the Assured each and every shipment and/or interest coming within the terms hereof. Premium shall be paid by the Assured at rates as agreed. Willful failure to make such reports shall render this Policy voidable at Underwriter's option.

48. Authority to Issue Certificates

Authority is hereby granted the Assured to issue Underwriters' Certificates of Insurance hereunder, provided such certificates shall conform to the terms and conditions of this Policy and/or any written instructions that are or may be given by Underwriters and/or Roanoke Insurance Group Inc. from time to time. All such certificates issued shall be countersigned by a duly authorized representative of the Assured.

The Assured hereby agrees to reimburse Underwriters if, by reason of an act or omission of the Assured or its authorized representatives in issuing a Certificate of Insurance, these Underwriters become obligated to pay a claim not otherwise covered by the Policy or an amount in excess of what the Policy undertakes to pay.

49. Letters of Credit

It is agreed that Certificates and/or Policies may be issued hereunder to the Assured to comply with the insurance requirements of any letter of credit and/or sales contract concerned, provided the cover required is not wider than that provided by the current Policy Wording. In the event that wider coverage is required, prior agreement of Underwriters is to be obtained at an additional premium to be agreed.

50. Inspection of Records

Underwriters or their duly appointed representative shall be permitted at any time during business hours during the time this Policy is in force, or within a year after its termination, to inspect the records of the Assured as respects goods insured within the terms of this Policy.

SECTION 6: Other Coverages

51. Import Duty and Freight Payable on Delivery

This insurance also covers the risk of partial loss by reason of perils insured against on freight payable on delivery (unless guaranteed or payable "vessel lost or not lost") and/or on duties imposed on goods imported into the United States or Canada and insured hereunder, it being understood and agreed, however, that when the risk upon the goods continues beyond the time of landing from the overseas vessel, the increased value, consequent upon the payment of such freight and/or duties, shall attach as an additional insurance upon the goods from the time such freight and/or duty is paid or becomes due to the extent of the amounts thereof actually paid or payable.

Any limit of liability expressed in this Policy shall be applied separately to such increased value.

The Assured will, in all cases, use reasonable efforts to obtain abatement or refund of duties paid or claimed in respect of goods lost, damaged or destroyed. It is further agreed that the Assured shall, when Underwriters so elect, surrender the merchandise to the Customs authorities and recover duties thereon as provided by law, in which event the claim under this Policy shall be only for a total loss of the merchandise so surrendered and expenses.

This insurance on freight payable on delivery and/or duty shall terminate at the end of the import movement covered under this Policy, but nothing contained in this clause shall alter or affect any coverage granted elsewhere in the Policy during the storage or transit subsequent thereto.

52. FOB/FAS Sales

This insurance is extended to cover shipments originating in the Continental United States and sold by the Assured on FOB, FAS or similar terms. This insurance shall cover such FOB/FAS or similar shipments from the time of leaving store, warehouse or factory at interior point of shipment and continue while in due course of transit to the port of export and while there, until loaded on board overseas vessel or until Assured's interest and responsibility cease in accordance with the terms of sale, whichever shall first occur. The Assured agrees to report the total value of all such shipments and premiums to be paid at rates as agreed.

53. Combined FOB/FAS Sales and Contingency Insurance for Unpaid Vendor

This insurance is extended to cover the Assured's primary interest in shipments originating in the Continental United States and sold by the Assured on FOB, FAS or similar terms. This insurance shall cover such FOB/FAS or similar shipments on a primary basis from the time of leaving store, warehouse or factory at interior point of shipment and continue while in due course of transit to the port of export and while there, until loaded on board overseas vessel or until Assured's interest and responsibility cease in accordance with the terms of sale, whichever shall first occur.

Henceforth, this insurance shall cover on a contingent basis goods sold by the Assured on terms which do not obligate them to provide insurance. If there is loss or damage from a peril insured herein, and

- A. The Assured cannot collect from the consignee or other party because of a refusal or inability to pay;
or
- B. The Assured has been paid but remains contractually obligated to replace the loss or damaged goods,

Underwriters shall advance to the Assured the amount of loss as provided herein. The Assured shall repay such amount upon remittance of the purchase price by the buyer or otherwise. Goods insured under this coverage shall be valued at the amount of the Assured's invoice, plus freight and other charges (if not included in the invoice).

This insurance is for the sole account of the Assured and in no event is it to insure or benefit buyers, consignees or any other party. **Furthermore, it is a condition precedent to this coverage that the Assured shall not divulge the existence of this coverage to any party. Such disclosure shall void coverage provided by this clause.**

The Assured shall preserve their rights against the buyer or other parties and, upon receipt of payment from Underwriters, shall subrogate to Underwriters all rights and shall give all assistance, other than pecuniary, in enforcing them.

54. Contingency Insurance for Assured as Consignee

This insurance is extended to cover shipments made by the Assured on terms under which the Assured is not obliged to furnish cargo insurance.

If goods are covered by other insurance, this insurance shall cover the difference in conditions (any perils not covered by other insurance but which are covered under the terms of this Policy) and any difference between the value insured by other insurance and the value in accordance with the applicable valuation clause of this Policy.

Underwriters will guarantee to the Assured the prompt collection of losses, damages and expenses otherwise coming within the terms and conditions of this insurance in connection with shipments for which the Assured has not been paid. Underwriters will advance to the Assured the amount of the loss, damage or expense, as a loan without interest. The Assured is to repay such amount upon remittance of the sum due the Assured by the seller, the insurance provided by the seller or otherwise.

This insurance is for the sole account of the Assured and in no event is it to insure or benefit sellers, shippers or any other party. **Furthermore, it is a condition precedent to this coverage that the Assured shall not divulge the existence of this coverage to any party. Such disclosure shall void coverage provided by this clause.**

The Assured shall preserve their rights against the seller or other parties and, upon receipt of payment from Underwriters, shall subrogate to Underwriters all rights and shall give all assistance, other than pecuniary, in enforcing them.

55. Increased Value

With respect to goods purchased by the Assured on C.I.F. or other similar terms whereby insurance is provided by the Seller or purchased by the Assured while still afloat on such terms prior to any known report of loss or accident, this Policy is extended to cover increased value, to be valued at the difference between the amount of insurance furnished by the Seller as evidenced by certificates or policies of insurance or otherwise, and the valuation provided in this Policy applying to shipments purchased on C.I.F. or similar terms.

This insurance to pay the same percentage of loss on increased value as Underwriters would pay on goods insured subject to the Average Terms and Conditions of this Policy; however, references to deductibles appearing in this Policy shall not be applicable to this insurance. In the event that goods are short delivered or sold unidentifiable in consequences of perils insured against, this insurance is to pay a total loss on the increased value on the part short delivered or sold unidentifiable. Free of General Average and/or Salvage Charges except on the excess of contributory value over the original amount insured if uncollectible under original insurance on cargo.

SECTION 7: Exclusions

The following exclusions shall apply unless modified or superseded elsewhere herein or endorsed hereon:

56. General Exclusions

Unless modified or superseded elsewhere herein or endorsed hereon, this policy does not insure against any loss, damage or expense attributable to or caused by:

This exclusion shall not apply where the contract of insurance has been assigned to the party claiming hereunder who has bought or agreed to buy the goods insured in good faith under a binding contract.
- G. Insufficiency or unsuitability of packing or preparation of the goods insured to withstand the ordinary incidents of the insured transit, but only where such packing or preparation is carried out by the Assured or its employees, prior to the attachment of this insurance (for purposes of this clause, "packing" shall be deemed to include stowage in a container, and "employees" shall not include independent contractors).

Where a loss results from improper packing, but the claim is covered because the packing was not performed by the Assured or its employees, it is the duty of the Assured to assist Underwriters in recovery efforts against responsible parties. It is further understood that no future claims shall be recoverable under this Policy which arise from improper packing performed by the same person or entity unless additional shipment(s) have already departed from the same shipper when improper packing is first discovered.

POLICY NO.: 18RTS7156

EFFECTIVE DATE: 2/1/2018

**American Institute (AIMU) Amended War Risk Only (Cargo) Clauses
(December 2, 1993)**

In cases where the total value(s) at risk on any one vessel exceed(s) the limit of liability as set forth in the Policy to which this endorsement is attached, the Assured agrees, nevertheless, to report to Underwriters full value(s) at risk and to pay premium thereon at the agreed rates. The Assured further agrees that acceptance of such reports and premium by Underwriters shall not serve to revoke or to overrule the limit of liability set forth in this Policy; however, subject to the limit of liability, Underwriters in accepting these reports do agree to pay partial losses covered by this Policy without reduction by reason of any coinsurance which otherwise may have existed in the absence of this special agreement.

Subject to the provisions of Clause 4 of this endorsement, should there be an accumulation of interests exceeding the limits of liability set forth in this Policy by reason of any interruption of transit beyond the control of the Assured or by reason of any casualty, and/or after the interests have been discharged from the incoming overseas Vessel at an intermediate port or place for on-carriage from that or any other port or place by another overseas Vessel, and/or on the on-carrying overseas Vessel, this Policy shall attach for the full amount of risk (but in no event for more than twice the Policy limit which would be applicable to any one Vessel) provided written notice be given to Underwriters as soon as known to the Assured.

Underwriters shall cover only those shipments which are insured against marine risks under this Policy, it being agreed that the description of such shipments, the valuations thereof, the voyage, the designation of the overseas Vessel (which shall be construed to include aircraft if included under the marine Policy) on which the goods are to be carried and the ports and/or places of loading and discharge, as reported under the said Policy against marine risks, shall be deemed incorporated herein. Notwithstanding the foregoing, this Policy shall not cover purely domestic shipments by air between points in the United States of America (excluding Alaska and Hawaii).

Any loss payable hereunder shall be payable in funds current in the United States, to the order of Assured thirty days after full proofs of loss and proofs of interest have been filed with Underwriters.

1. This insurance is only against the risks of capture, seizure, destruction or damage by men-of-war, piracy, takings at sea, arrests, restraints, detainments and other warlike operations and acts of kings, princes and peoples in prosecution of hostilities or in the application of sanctions under international agreements, whether before or after declaration of war and whether by a belligerent or otherwise, including factions engaged in civil war, revolution, rebellion or insurrection, or civil strife arising therefrom; the imposition of martial law, military or usurped power, and including the risks of aerial bombardment, floating or stationary mines and stray or derelict torpedoes, and weapons of war employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter but excluding loss, damage or expense arising out of the hostile use of any such weapon; and warranted not to abandon (on any ground other than physical damage to ship or cargo) until after condemnation of the goods insured.
2. This insurance also covers, but only while the goods insured is on board a waterborne conveyance, loss of or damage to said goods directly caused by governmental authorities acting for the public welfare to prevent or mitigate a pollution hazard or threat thereof, provided that the accident or occurrence creating the situation which required such governmental action would have resulted in a recoverable claim under this Policy (subject to all of its terms, conditions and warranties) if the goods insured would have sustained physical loss or damage as a direct result of such accident or occurrence.

Warranted free from any claim based upon loss of, or frustration of, the insured voyage or adventure caused by arrests, restraints or detainments.

3. This insurance does not cover any loss, damage or expense directly or indirectly arising from, contributed to, or caused by any of the following, whether due to a peril insured against or otherwise:
 - A. Commandeering, preemption, requisition or nationalization by the government (de facto or otherwise) of the country to or from which the goods are insured.
 - B. Seizure or destruction under quarantine, environmental or customs regulations.
 - C. Delay, deterioration and/or loss market.
 - D. Nuclear reaction, radiation or radioactive contamination, regardless of how it was caused.
4.
 - A. The insurance against the risks enumerated in Clause 1, except the risk of floating or stationary mines and stray or derelict torpedoes, floating or submerged referred to in the paragraph immediately following, shall not attach to the interest hereby insured or to any part thereof:
 - 1) Prior to being on board an overseas Vessel (For the purpose of this Clause 4 an overseas Vessel shall be deemed to mean a Vessel carrying the interest from one port or place to another where such voyage involves a sea passage by the Vessel.)
 - 2) After being discharged overseas from an overseas Vessel at the intended port or place of discharge or after the expiry of 15 days from midnight of the day of arrival of the overseas Vessel at the intended port or place of discharge, whichever shall first occur.
 - 3) After expiry of 15 days from midnight of the day of arrival of the overseas Vessel at an intermediate port or place to discharge the interest for on-carriage from that or any other port or place by another overseas Vessel, but shall reattach as the interest is loaded on the on-carrying overseas vessel. During the said period of 15 days the insurance remains in force whether the interest is awaiting transit or in transit between the overseas Vessels.
 - 4) For the purpose of this Clause 4 arrival at the intended port or place of discharge shall be deemed to mean that time when the overseas Vessel first berths, anchors, moors or is secured in an area subject to regulation by the authorities of such port or place.
 - B. The insurance against the risks of floating or stationary mines and stray or derelict torpedoes, floating or submerged, attaches as the interest hereby insured is first loaded on a lighter, craft or vessel after leaving the warehouse at point of shipment in transit for the destination declared hereunder, and ceases to attach as the interest is finally landed from the vessel, craft or lighter prior to delivery to warehouse at such destination.
 - C. If the contract of affreightment is terminated at a port or place other than the destination named therein such port or place shall be deemed the intended port or place of discharge for the purpose of this Clause 4.
 - D. Shipments by mail, if covered by this Policy, are insured continuously from the time of leaving the sender's premises until delivered to the place of address.
 - E. Shipments by air (other than by air mail), if covered by this Policy are insured subject to the same terms and conditions as shipments by overseas Vessel.
 - F. It is a condition of this insurance that the Assured shall act with reasonable dispatch in all circumstances within their control.
 - G. If anything contained in this Policy shall be inconsistent with this Clause 4 it shall to the extent of such inconsistency be null and void.
5. This insurance shall not be vitiated by deviation, overcarriage, change of voyage, or by any error or unintentional omission in the description of interest, vessel or voyage, provided the same be communicated to Underwriters as soon as known to the Assured and an additional premium paid if required.
6. And in case of any loss or misfortune, it shall be lawful and necessary to and for the Assured, his or their factors, servants and assigns, to sue, labor and travel for, in and about the defense, safeguard and recovery of the said goods, and merchandises, or any part thereof, without prejudice to this insurance; nor shall the acts of the Assured or Underwriters, in recovering saving and preserving the goods insured, in case of

disaster, be considered a waiver or an acceptance of an abandonment; and to the charges whereof, the said Underwriters will contribute according to the rate and quantity of the sum hereby insured.

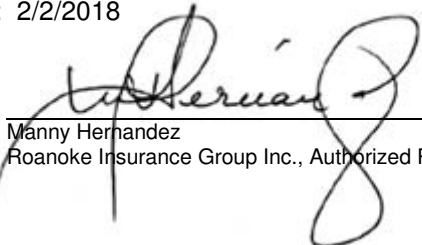

7. General Average and Salvage Charges payable according to United States laws and usage and/or as per Foreign Statement and/or per York-Antwerp Rules (as prescribed in whole or in part) if in accordance with the Contract of Affreightment.
8. It is agreed that the reports of shipments made under the Policy against marine risks mentioned above shall be deemed to be reports under this Policy also, and the Assured agrees to pay premiums on all shipments insured under this Policy at the war risks rates of Underwriters as fixed from time to time.
9. No claim shall be payable hereunder which arises from collision, contact with any fixed or floating object (other than a mine or torpedo), stranding, heavy weather or fire unless caused directly (and independently of the nature of the voyage or service which the Vessel concerned or, in the case of a collision, any other Vessel involved therein, is performing) by a hostile act by or against a belligerent power; and for the purpose of this paragraph "power" includes any authority maintaining naval, military or air forces in association with a power.
10. No recovery for a Constructive Total Loss shall be had hereunder unless the goods insured is reasonably abandoned on account of its actual total loss appearing to be unavoidable, or because it cannot be preserved from actual total loss without an expenditure which would exceed its value if the expenditure had been incurred.
11. It is agreed that this Policy is a separate and wholly independent contract and is not subject to any terms or conditions of the Policy against marine risks above mentioned (whether physically attached thereto or not) except as such terms or conditions shall be expressly incorporated herein by reference.
12. This insurance may be cancelled by either party upon forty-eight hours written notice to the other party, but such cancellation shall not affect any shipment on which this insurance has attached under the terms of Clause 4 hereof prior to the effective date of such notice. Shipments on which this insurance has not so attached but for which, prior to the effective date such notice, bills of lading have been issued and (in the case of exports) Certificates or special policies have been issued and negotiated, shall be covered from the time of loading on the overseas Vessel, as provided in Clause 4, at the rates of Underwriters, provided that, prior to said effective date, such shipments were at the risk of the Assured and were covered under the said Policy against marine risks.

In the event of loss, which may give rise to a claim under this endorsement, prompt notice shall be given to Underwriters.
